Jaipur, Nov 6 (PTI) The Bhartiya Mazdoor Sangh will launch a 'Jail Bharo Andolan' across the country on November 8 to protest price spiral and to highlight issues related to workers. A massive rally would be held to highlight these issues in New Delhi on November 23, Baijnath Rai, BMS General Secretary, said here today. "Inflation has badly affected not only workers but the entire society. Rising prices of fuel have further made life miserable and this is needed to be controlled effectively," he said. Fixing of minimum wages, restoration of old pension scheme for government employee, social security for workers in unorganised sector and strengthening of existing schemes for organised sector are among other demands of the Sangh, he said.
